

AW – since 64 years' inspirational space

AW Architektur & Wohnen is the only multi-thematic and internationally recognised lead magazine on architecture, design, home living and garden planning that takes an emotional approach rather than one of cold distance. The magazine stands for an exquisite selection of topics in top journalistic quality, for international trends and qualified analysis. That's why AW Architektur & Wohnen is appreciated equally by both its readers and industry professionals. AW is the premium title for design, home living, architecture and garden in Germany.

AW Architektur & Wohnen presents its own editorial awards and has itself been commended several times in recent years. The AW Designer of the Year is the most sought after and prestigious design award in the entire European home interior scene. This acknowledgement confirms the status of AW Architektur & Wohnen as lead magazine.
