

# FOODIE Podcast 2022

Hamburg, december 2021

Alles über Wein.

# There's something for your ears!

## The Podcast

Here we go - the FOODIE podcast on wine is here!

Without any technical jargon, it's all about wine and what makes the juice of the vine so indispensable in our lives.

Be part of it! With a natively spoken commercial break, you become part of the podcast. Because: native advertising works! What does native integration sound like? **It's worth listening in!**

The content of the commercial will be agreed with you, the specific wording remains editorial sovereignty. The FOODIE Podcast appears with a 4-week frequency.

**Length of the commercial block:** approx. 45-60 seconds

**Costs per episode:** 2.300,- EURO
